Presentation Preparation

For Presentation Week 1, prepare a Google Slides that cover the following points

- Title / Student Details
- Background
- Introduction
- Research Question / Design
- Results
- Discussion / Future directions
- References

Tips for Effective Presentations

Prepare a A 4-minute presentation before the 1st presentation class. Consider the following points:

- Opening statement
- Structure
- Originality (no plagiarizing, cite and reference where necessary)
- Language fluency (tempo, intonation, stress, pronunciation)
- Interaction (interaction, eye contact, engage the audience)
- Confidence
- Time

What to Present in Four Minutes

時間は限られているため、4分で全てのスライドについて話すことはできません。「イントロダクション」に2分半でも「イントロ+試験手順」、「手順+結果」だけでもOKです。授業内の発表の目的は全てを発表することではなく、聞き手が理解しやすいように話し、聞き手を惹きつける、聞き手が発表を聞いた結果、発表者と前向きな展開に発展できることなどが目標であり、これらは評価項目の一部でもあります。

Students are not expected to present the whole presentation document in 4 minutes. Also, the evaluation criteria includes being able to present so the listeners can understand, engage the audience, and create some positive development between the audience and presenter even after the presentation is complete. Come prepared to talk about your research with your classmates.

Presentation Homework
